YES...I want to register NOW As a positive role model, I will abide by all Guidelines. Send my Hometown Queen kit to prepare me for my reign and to fully secure the State sponsor fee. Failure to advance to the State/and or National events still obligates the fee is due by all Queens entered. I agree to proudly represent my title at the State Finals where if I am crowned a State Winner, I will receive my National Division Entry Fees PAID and I will advance to the National Event in June 2012.
